Letter No- DAFP-TRG-CMKI-0009/2024/37144 /Agril/ Dated- 23-10-2024

To,

The Chief District Agriculture Officer (all Districts)

Sub: Verification of beneficiaries in PM-KISAN & CM-KISAN portal including Self
Registration cases in PM KISAN portal.

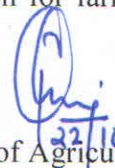

Ref: This Directorate Letter No. PT1-DAFP-TRG-KALIA-0019/2024-29159/Dt.17.08.2024 (SOP) &
PT1-DAFP-TRG-KALIA-0019/2024-32027/Dt.06.09.2024 (Modalities)

Sir,

With reference to the subject cited above, it is to inform that a large number of self registration cases are pending at district level in PM KISAN portal for verification and approval/rejection thereof. Similarly, registration of new beneficiaries is under progress in CM KISAN portal for inclusion in CM KISAN and PM KISAN schemes which needs to be verified at block/district level. A large number of applications are pending at district level in PM KISAN portal for which the Government is facing embarrassing situation. It has been communicated repeatedly to give special attention for disposal of these applications in the portal.

During verification and disposal of such case the following points are to be taken into consideration.

- (1) As per scheme guidelines, the land holder farmers having **cultivable land** and fulfilling other mandatory requirements are eligible for PM KISAN scheme.
- (2) Farmers are eligible to apply at the location as per his address in the Aadhar card and verification will be done by the appropriate authorities irrespective of farm land location.
- (3) The verification shall be done in accordance to the eligibility criteria laid in the SOP communicated vide this Directorate earlier.
- (4) During registration by beneficiary, uploading* of land record is not mandatory as the Bhulekh verified data is directly fetched from the KO portal. However, in some cases where date of mutation and other fields are not verified from Bhulekh, those farmers only are to upload the patta for verification purpose. In addition to this the FRA patta holders have also to upload the patta for verification purpose if not verified through Bhulekh.
- (5) However, before approval, field functionaries have to verify ownership of the land and relationship of the applicant with the land owner in case the land is not owned by the applicant.
- (6) Upload of the MGNREGA/Job card (available in the name of any member of the family as per ration card) in CM KISAN portal is mandatory during registration for farmers under LAH category.
